Experience

Creative Director

Oct 2025 ~ Present

Brown Journal of Healthcare Advancement

Providence, RI

Led visual direction for the journal's print and digital launch, shaping a cohesive contemporary identity. Designed clear, engaging layouts that make complex healthcare research accessible.

Marketing Manager

Oct 2025 ~ Present

TEDx RISD

Providence, RI

Translated TED's global ethos into a locally resonant visual language through branding, motion, and editorial design. Oversaw cohesive design systems and promotional materials across all platforms.

UI/UX Front End Developer

Jul ~ Sep 2025

Brand Engagement Network, Inc.

Seoul, South Korea

Front-end developer for BEN's VUI launch, helping establish a distinct brand identity. Designed inclusive, hands-free interfaces that expanded the accessibility of BEN's AI services across platforms.

Web Designer

Jun 2025 ~ Present

The College Hill Independent

Providence, RI

Collaborated in weekly design and development meetings to prototype and implement a new digital identity for the publication. Led a website redesign to improve user experience and long-term maintainability.

Creative Director

Jun 2025 ~ Present

Oxy444

Seoul, South Korea

Solo exhibition exploring personal visual identity through graphic design and spatial installation. Transformed 2D works into immersive 3D forms reflecting memory, experimentation, and stylistic growth.

Skills
