Experience

Brown Journal of Healthcare Advancement • Creative Director

10/2025 ~ Present • Providence, RI

- Led the visual direction and design strategy for the journal's print and digital launch, establishing a cohesive and contemporary brand identity.
- Focused on translating complex healthcare research into accessible, visually engaging layouts that enhance reader comprehension and impact.

TEDx RISD • Marketing Manager

10/2025 ~ Present • Providence, RI

- Focused on translating TED's global ethos into a locally resonant visual language through innovative branding, motion, and editorial design.
- Oversaw the development of cohesive design systems and promotional materials that amplified the event's narrative and visual coherence across all platforms.

Brand Engagement Network, Inc. • UI/UX Front End Developer

07 ~ 09/2025 • Seoul, South Korea

- Front-end developer for the launch of BEN's unique Voice User Interface (VUI), helping establish a distinct and recognizable brand identity.
- Designed and implemented inclusive interfaces tailored to diverse environments, including hands-free and expanding the reach and usability of BEN's AI services across platforms.

The College Hill Independent • Web Designer

06/2025 ~ Present • Providence, RI

- Contributing to weekly in-person design and development meetings to strategize, prototype, and implement a new digital identity for the publication.
- Focused on enhancing user experience, visual coherence, and long-term maintainability through collective and iterative design processes by full redesign of The Indy's website.

oxyy444/ Pancommunications • Curator & Artist

06/2025 ~ Present • Seoul, South Korea

- Solo exhibition exploring personal visual identity through graphic design and spatial installation, recontextualizing design practice into a tactile and narrative-driven experience.
- Transformed 2D works into 3D sculptural forms, creating an immersive environment reflecting experimentation, memory, and stylistic growth.

Genius Academy Seoul • English Educator

07 ~ 08/2024 • Seoul, South Korea

- Taught English (Grammar, Phonics, Reading) to Korean students from grades 1-4 for 40 hours a week.
- Graded homework and Worked with the Academy's company in Seoul, South Korea.
